

Greetings!

The Hickman Area Community Foundation Fund is excited to announce the addition of an accessible playground to the Hickman City Park. Parallel play is an important part of child development at all ages, and this space will have new equipment where ALL children can play together regardless of ability.

We are most proud that ALL elements of the addition were handpicked by children in the area based on their own needs and play interests. Now we need your help to make their dream a reality!

The HACFF is an affiliated extension of the Nebraska Community Foundation (NCF), which is a 501c3 organization. All funds donated will go toward the purchase, installation and maintenance of the accessible playground addition. Funds raised beyond our playground addition goal will be used toward retrofitting adaptable play items into other area playgrounds.

We greatly appreciate your donation which brings us one step closer to reaching our goal of \$180,000. Donors can choose their commitment level, which will be honored on an artistically designed donor wall that will be as inclusive of bold colors as the playground is of all children.

Donor Recognition Levels:

- Friend (\$200-\$499)
- Advocate (\$500-\$999)
- Partner (\$1,000-\$4,999)
- Leader (\$5,000-\$9,999)
- Champion (\$10,000-\$24,999)
- Visionary (\$25,000-\$49,000)
- Legacy (\$50,000+)

Please visit our project page to review the equipment at HickmanCommunityFund.org/Playground or scan the QR code for convenience. Donations may be made online or by mailing a check to our address. Receipts will be provided by the Nebraska Community Foundation.
